Dear J C,

John Horton's return tonight gives me the opportunity to send you some items I mentioned to you in a cable today. Copies of these two items are attached hereto. I am sorry we have not had the time to translate the longer one of the two, but for the past few days we have been very rushed.

I've had no time to give to John during his visit and Alan has had almost no time w/ him. We do hope, however, that he has been able to get some idea of our Station and its work by his talk w/ the various officers who have been able to spend some time w/ him during these two days.

Perhaps when we are a little less rushed, he can return to Mexico for another visit.

SECRET

We appreciate your quick responses and good instructions in the case which is taking most of our time these days. WIN
